

National Gallery of Art Volunteer Education Calendar 2015 – 2016

The Volunteer Education Program is designed to strengthen and enhance the work of docents, art information volunteers, and staff, who enrich and support art museum experiences for all visitors to the National Gallery of Art. Education sessions cover a variety of art and education topics as well as important policy and logistical information. **Please note that the three Art Information Meetings are the only mandatory sessions for Art Information Volunteers.** You are welcome to attend any other programs listed, but they are not required. Should you have any questions, please feel free to ask education staff.

In the event that an education session is cancelled, we will send an email to participants before 8:00 a.m., whenever possible.
