

## National Gallery of Art Volunteer Education Calendar 2016 – 2017

The Volunteer Education Program is designed to strengthen and enhance the work of docents, art information volunteers, and staff, who enrich and support art museum experiences for all visitors to the National Gallery of Art. Education sessions cover a variety of art and education topics as well as important policy and logistical information. Please note that all education sessions are mandatory.

In the event that an education session is cancelled, we will send an email to participants before 8:00 a.m., whenever possible.
