

NATIONAL GALLERY OF ART
2015 TEACHER INSTITUTE

Dear 2015 NGA Teacher Institute participant,

It is important to us at the National Gallery of Art to offer teachers a program that meets their needs on both a professional and a personal level. In order to better understand what these needs are, and how to fulfill them, we ask you to reflect each day on the strengths and weaknesses of the material presented.

At the conclusion of each day, we ask that you spend 10 minutes answering three questions. At the end of the week, there will be time to share some of your reflections with your peers. On Saturday we will collect the journals. (If you wish, we can make a copy of your journal for you to take home.)

Thank you for helping us help you!
