

Write Your Own Interior Story

Write a short story about the people and things you see. Give each person a name. Include what you see in the painting, then use your imagination to write what will happen next in your story. Give your story a new title—not *Interior*. Sign your name on the back and give your story to your teacher to put into a class book of Interior stories.

Horace Pippin
Interior
1944

TITLE: _____

STORY: _____
