Remarks

In the summer of 1887 Stieglitz traveled through Italy, stopping in Venice, Chioggia, Pallanza (on Lake Maggiore), Bellagio (on Lake Como), and Riva de Garda (on Lake Garda). This photograph and Key Set numbers 34, 35, 36, 37, and 38 were made in Bellagio. Later that fall, Stieglitz sent twelve photographs made during the trip, including *A Good Joke*, to *The Amateur Photographer's* "Photographic Holiday Work Competition," judged by Peter Henry Emerson (see *The Amateur Photographer* 6 [4 November 1887], 217). This photograph won first prize (see *The Amateur Photographer* 6 [25 November 1887], 253).

The negative for this image was made using a Steinheil Aplanat 19-inch lens on Perutz's Orthochromatic plates and developed using oxalate, pyrosoda, hydroquinone, and eikongen (see exh. cat., Fourth Annual Joint Exhibition, New York, 1891).

Other Collections

A print corresponding with this photograph can also be found in the following collection(s):
