# WRITING SALON

**2018 – 2019 National Gallery of Art**

## **Creative Writing Workshops**

**Fridays, 10:30 am – 12:30 pm**

**Saturdays and Sundays, 1:00 – 3:00 pm**

Come find creative inspiration in the Gallery's permanent collection and special exhibitions. Led by local writers, this series of workshops uses art as a starting point for writing original pieces. Through conversation and writing exercises, participants explore the elements of writing and experience works of art through a different lens. The workshops are designed for all skill levels; beginning through advanced-level participants are welcome.

This program is free and open to the public, but advance registration is required due to limited space. Reserve a space online at [nga.gov/writingsalon](http://nga.gov/writingsalon). Registration dates are listed individually for each program. Participants should bring their own writing materials. Ages 18 and over. For more information, email [writingsalon@nga.gov](mailto:writingsalon@nga.gov) or visit [nga.gov/writing-salon](http://nga.gov/writing-salon).
