Group Meal Plan Reservation Guidelines

A minimum of 20 people is required for the group meal plan. Reservations must be made at least two weeks in advance. The Cascade Café does not reserve seating. A final guest count is due 3 days before your visit. The Children's Meal Vouchers are for children 10 and under only. There are no substitutions for any items listed on the vouchers. A combination of different vouchers may be purchased for one visit.

To guarantee space, a signed contract with full payment is needed. Payment may be made by cash, credit card, or cashier's check. If you pay via credit card, the card will not be charged until the date of your reservation. Should you wish to pay by check, please forward a 50 percent deposit two weeks in advance of your event. Please bring the balance of payment the date of your event. Payment is not processed until your arrival on-site, to accommodate potential last-minute changes to the group count. A Federal or Washington, DC Tax Exempt Certificate must be presented in lieu of 10% Washington, DC sales tax.

Vouchers are issued on the day of your visit, upon receipt of payment. We recommend arranging to have one person pick up vouchers prior to your group's arrival for lunch (this allows easy distribution of the vouchers at meal time).

Please email constellationculinarygroup@nga.gov to reserve vouchers for your group.
