National Gallery Announces Program for
Service Men's Concert May 31.

Music by Beethoven and Mozart will be played at the concert to be given by the Budapest String Quartet on Sunday afternoon, May 31st, at 3:30 p.m., in the Lecture Hall of the National Gallery of Art. This concert has been arranged, through the generosity of Mrs. Matthew John Whittall, especially for men in the armed forces and their friends. It will be open also to others, so far as seating capacity permits. As in the case of all Gallery activities, there will be no charge for admission.
