The CHAS. H. TOMPKINS CO. has historically maintained a staff of highly competent managerial and professional people, field supervisors and craftsmen. These teams have been organized to perform their responsibilities with the Owner and Architect to successfully complete projects of any proportions. They have concentrated their efforts in the Metropolitan area of Washington, D.C.

J. W. Mann, vice president of CHAS. H. TOMPKINS CO. has been assigned as Project Manager for the East Building and Connecting Link with the National Gallery's existing building. Gottlieb Huber is the General Superintendent.
